

Central Board Minutes
February 18, 1958

The meeting was called to order by President Roger Baty. The minutes were read and approved after being corrected to include the fact that the vote in favor to raise activity fee was unofficial. This was in the section pertaining to the Athletic Program.

BOOSTER NIGHT:

Baty congratulated Ubl and the Publicity-Travel Committee for a successful Booster Night February 15.

COMMUNITY CONCERT:

Brown read the following report from Community Concert:

ASMSU was contracted for 200 Community Concert tickets to be sold at \$3.50 apiece. The price was misquoted to Sally Harris; as a result the tickets were sold for \$3 for several weeks. As soon as the committee was notified of the mistake, the price was raised to \$3.50. Posters were made for each concert and the cost of the materials amounted to \$11.32. The committee had publicity in the Kaimin twice before each concert and once publicizing the sale and program for the entire year. The business office reported in January that the committee took in \$406.00 in sales, spent \$11.32; the net total was \$394.68. The price has been reduced \$.75 for each concert since the first one. In January they sold for \$2.75 and they are now selling for \$2.00. The last concert will be held March 5 and the price will then be \$1.25.

GOLF COURSE:

Marcus Bourke explained the situation of the golf course. About one year ago the amount of \$40,000 was set aside to build a University golf course. At the present time there has been an overdraw of about \$960. If the golf course is to be finished as planned there will be need of \$10,000 to take care of the remaining expenses. The request for the needed \$10,000 will be referred to Budget and Finance. Bourke stated that the students may want a Club House. He had in mind the old correspondence building without the bottom story. It has a good heating plant. Trees for the course is another item Central Board should consider. Braig said Boboth and Bourke should be congratulated for getting so much out of the students' money.

SENTINEL:

After discussion about the layout of the fraternity and sorority pages in the Sentinel, Ulrich made the motion to include individual pictures instead of group pictures in these sections. Palin seconded. Passed 13-0.

ACTIVITY FEE:

Baty suggested that the facts of the situation concerning raising the activity fee be presented to the students at the same time the revised Constitution is presented. Ulrich made the motion that Central Board table this discussion until sometime next quarter. Palin seconded. Passed 10-0.

There being no further business the meeting was adjourned.

Respectfully submitted,

Sue Williams
